

strapex

SMG 20S/25S

**High performance machines
for plastic strapping**

For small and narrow products

Save money with thin PP strap!

SMG 20S/25S

For small and narrow products

5 Highlights

- Up to 70 cycles per minute
- Touch Panel: Strap tension easily adjustable
- Simple technology, few moving parts
- Constant strap tension for various products
- Simple coil change

Cost effective

- High availability
- Use of 5 mm PP strap with SMG 10 – the alternative to 9/12 mm strap
- Use of thin PP straps
- Maintenance-friendly

Strapex advantage

Machine, strap and after-sales service as a total package

www.strapex.com

User friendly

- Plug & Play: Very easy handling
- Mobile, ready to use anywhere
- Adjustable working height
- All operating functions using foot pedal

Robust, compact design

For use as a stand alone machine or integrated into conveyor systems

Strap tension easily adjustable with press button

Simple coil change

Easily accessible

Maintenance without tools
